**THE CHAIRMAN  
ANUM EBI ASSOCIATION  
LONDON**

Dear Sir / Madam,

### **APPRECIATION LETTER**

On behalf of the Leadership of the Salvation Army, Management, Expenditure board and entire staff of the Salvation Army health Centre at Anum. I write to express our gratitude for your kind gesture to donate Money as a support to the above mentioned health facility in the aid of continuing its Maternity and Administrative building.

The donation have made it possible for us to complete the whole plastering and also the entire floor screeding is completed. We hope that your contributions will help the health facility to complete the project as early as possible.

When the project is completed, it would enable the facility to continue providing efficient and effective health care services to its catchment area and the general public as whole.

We count on your usual support to this health Centre.

Find attached the state of the building.

Thank you

God bless you

Yours Sincerely

Daniel Addo  
(Assistant Administrator)
